

Club Dates and Bell Schedule 2017-2018

Clubs can plan to meet on the 3rd Thursday of each month, as well as other meetings as scheduled by the club sponsor. Students will follow the A & B Club bell schedule on those Thursdays. The sponsor is to inform students in advance of the date and location of the club meeting. There will be a list of students in each club or study hall emailed to teachers and posted on the windows of the common area. These lists will be used to take attendance. If any club collects dues, this money must be returned to the bookkeeper.

The club days have been scheduled as follows and are subject to change:

October 19	February 15
November 16	March 15
